

*Thank you for committing to pray for my family and me over the past three months. I sense a deeper assurance in my spirit knowing I have a team of prayer partners faithfully bringing us to the Lord. Thank you. I am deeply grateful for you.*

**Steve's Cross-Country Tour!**

BC Regional Conference in Hope, BC

Since my last prayer newsletter, I have crossed our nation participating in six Fellowship Regional Conferences in Cambridge, ON; Hope, BC; Edmonton, AB; Debert, NS; Winnipeg, MB; and a tour of Quebec including the Gaspé Peninsula.

Through my weekly Monday emails I have sought to tell the stories of what the Lord is doing in our churches across our country. So many exciting stories of God's goodness.

Banquet at BC Regional Conference

So blessed by Rev. Charles Price's ministry at the FEB Central Conference. Encouraged by the keen sense of alignment and forward movement at our Fellowship Pacific Conference. Rejoicing as messengers at our FEBCAST (May 11) and FEBMid (June 2) Conferences voted in favour of merging into one new "Fellowship Prairie" Region—this constitutes years of prayer and discussion.

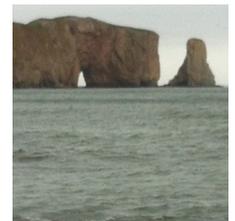

First Baptists in Canada

I also participated with our Fellowship Atlantic Region in a "Re-Think" Conference on how we do regional work in the Maritimes. A very fruitful time together. During my visit to New Brunswick I took a side trip one evening to the exact location where the first Baptists landed in Canada in 1763. And lastly, I toured our churches in the Gaspé Region just before the French (AÉBEQ) Regional Conference and was encouraged by the courage of these believers, while at the same time, heart-broken as we drove hour upon hour between churches where there is no gospel witness in the distance from one church to the other. Imagine driving between Toronto and London, ON or Calgary and Edmonton, AB knowing there is absolutely no local church between them. The mission field in Quebec is staggering.

I rounded out these Regional trips with Sunday ministry in Ontario, British Columbia, and New Brunswick. It's been a busy three months of travel. I'm enjoying this part of my role immensely . . . It's a joy to meet the Fellowship family throughout our country.

**Ministry News**

Some highlights which our National Staff are working on that need your prayer support:

In May our National Council approved two strategic plans pertaining to our francophone and fund-raising ministries. We are near completion of strategic plans for our Fellowship International and Chaplaincy Ministries. Thank you for praying.

As of the end of May our 2012 Project, Kick Start 2, has raised \$86,000 of the \$250,000 seeking to be raised. The nine new church plants in our project received their first financial installment from our annual project. Let's pray that more donors will give toward these church plants.

Our new Fellowship International missionary appointees are busy seeking prayer and financial support from churches and donors. Pray for Raj and Kim Vannadil (BC) for India, Luc and Denise Tétrault (QC) for Pakistan, and Karim and Rita Anayssi (ON) for Lebanon. Pray that our Fellowship Churches would become a part of their support teams.
