

of the people in power so that they would be willing to help us. The colonel saw our desperation and, without having to plead too much, he decided to help us with a military presence in our community. We are literally guarded from the moment we step out of the home to when we get to the paved road. All I can say is God is good! So many times He has put the right people in our paths, and touched the hearts of people in order to use them for the needs of the home.

4. We enjoyed the visit and hard work of a group from FBC Great Village, who have put together a really cool greenhouse where we will soon be getting enough carrots, tomatoes, lettuce, cucumbers, and green beans to feed the home and to also sell to the community. It was a memorable week, where all the children got involved in the work and had their share of TLC from the Nova Scotians. Our safety wall is also almost finished, THANK YOU to everyone who has contributed to this.

Everyone working really hard to get those veggies going!!

It has been almost eight years now. Time flies by! I think of all the children that have been entrusted to us. I look at all my mistakes, flaws, weaknesses, and shortcomings. I look at what seem like failures or successes. A child who is thriving, a child we've lost. All I can say is that God is good! God is full of grace. God's grace meets us right where we fall short. God's grace covers us during our moody days, our sad days, our good days, and our desperate days. Grace fuels us up when we feel empty. It forgives us when we fail.

*"The LORD is my rock and my fortress and my deliverer, my God, my rock, in whom I take refuge, my shield, and the horn of my salvation, my stronghold." Psalm 18:2*
