

## A Covenant to Pray

1. We are aware that we too easily live and serve without the vital awareness of the presence and power of the Lord, and we don't want to live like this anymore. We are called to Seek the Lord above all else in all we do. We spend much time on frivolous things like social media and we resolve to instead take some of that time to seek the Lord in prayer.

*(Seek: Psalm 27:4,8; Psalm 63:1; Matt. 7:7; Heb. 11:6) (Pray: Eph. 6:18; 1Tim. 2:1; 1Pet. 3:12)*

2. We are concerned for our Seniors and shut-ins who haven't been back to worship and perhaps feel disconnected from church life and community. The Prayer Movement can revive and utilize their passion for the Lord and connect them into a purposeful, prayerful community again. We want to birth a visitation movement where we visit the disconnected and bring them something to share and to pray together.

3. We are burdened for all our Pastors and Leaders as our church embarks in a new direction with a new lead pastor. We want to regularly lift up Pastor Josh as he leads, for Pastor Alex as he seeks to minister to families, and for Pastor Steve as he transitions to his new associate role and future retirement.

4. We are desirous for our Youth to know Jesus intimately and follow Him in the midst of a dark world. We long to see the Lord call our youth to serve Him and we will covenant to pray specifically for those who are already called and going. We will pray for all our ministry workers serving our children and teens.

5. We are burdened for our Parents as they raise their Children in a world that is trying to overturn the natural order of God. We will uphold them by praying for their wisdom and faithfulness to the Word and ways of God. We will encourage them to share with us specific requests as their children grow.

*-Pray through the FBC directory for each family member*

6. We are greatly concerned for the godlessness of our Country and culture. We will seek the Lord to beseech Him to turn our nation and leaders to God and bring revival to sweep our land. We will pray specifically for Atlantic Canada, for the revival of our FEB churches and the advancement of God's Kingdom.

*-Become connected with a National Prayer Movement that The Fellowship is initiating*

7. This Prayer Movement can function both remotely and on-site within groups as the Lord leads. We will pray the Lord to raise up a Prayer Team to meet and pray before/after FBC Sunday worship.
